

Trunk calls at Jabulani

Camp Jabulani is a family-owned and managed private luxury safari lodge located within the private Kapama Game Reserve in Hoedspruit, South Africa. With a Relais & Chateaux accreditation, this lodge offers first class accommodation, cuisine, facilities and personalised service. But its most notable feature is the herd of trained African elephants, which were rescued by the Hoedspruit Endangered Species Centre. Visitors can experience the extraordinary through personal interaction with these mammoth animals on daily elephant-back safaris, or while watching the elephants at play in the waterhole or casually browsing in their natural habitat. Guests can also visit the Hoedspruit Endangered Species Centre, go for a hot air balloon ride or be pampered in the outdoor spa. campjabulani.com
