MPUMALANGA HELICOPTER CO. EXCURSIONS EMBRACE THE BEAUTY & CAPTURE THE SPIRIT OF MPUMALANGA

CASCADES

Departing from Hippo Hollow in Hazyview, we follow the Sabi River Valley along the edge of the Escarpment, to where the first state-owned timber plantations in the region were planted on the farm Graskop in 1905. We'll fly over the 30 metre-high Pinnacle, a weathered column of free-standing sandstone rising above the tangle of indigenous forest. Have your camera ready for spectacular photographic opportunities as we linger above the breathtaking Lisbon falls, which tumble in four cascades down a 92 metre-high cliff into a large, beautiful and icy cold pool. Enjoy the magnificent views of the Berlin Falls and see how water is forced through a narrow gap before tumbling in a single feathery cascade.

Be transported back in time whilst observing the 64 metre-high Mac Mac Falls, which were split into two splendid streams before plunging into the forested gorge below after miners placed dynamite on the crest of the falls during the gold rush era. God's Window will be our next experience; here you will be treated to one of the finest views of the beautiful Mpumalanga Lowveld before landing back at Hippo Hollow.

Duration: 45 Minutes (Waterfalls only)
1 Hour (Waterfalls, Gods Window and Canyon)

CASCADES & CANYON SPECTACULAR

We collect passengers from any of the lodges in the Hazyview, Sabi Sand and Timbavati areas (provided the lodges have a helipad). From the Sabi Sand / Timbavati area, there are two scheduled flights per day, so as not to interfere with game drive times.

This is an exhilarating flight that swoops over deep and mysterious gorges, through lush valleys bursting with vegetation and colour. We will linger above cascading waterfalls, allowing for spectacular photographic opportunities. The flight will continue along the escarpment to God's Window, which offers awesome panoramic views of the bushveld below and on to the fascinating and dramatic rock formations of the 1 000 metre-deep, 30 kilometre-long Blyde River Canyon, (the third deepest and greenest Canyon in the World). You will be treated to a magnificent bird's eye view of the curious Three Rondavels before landing at a picnic site with glorious views of the Mpumalanga Lowveld. Relax and enjoy a delicious lunch accompanied by South African Sparkling wine before heading back on a scenic flight home.

Departure Times from the Sabi Sand / Timbavati area: 10h00 and 13h00
Duration of Excursion: 2 Hours (from pick-up to drop-off, and including the picnic stop)
Departure Times from Hazyview / Surrounds: All day
